

Iteration 3 Presentation

Hello!

We are the Henry Gets
Moving Capstone Group!

- Kiri Woodruff
- Mars Williams
- Melody Hammel

Client Information

Nicole Koontz

- Associate Lecturer of Exercise Science at Ball State
- Head of the HGM Immersive Learning Project

Feedback

Mentor Feedback

- Didn't have much to say
- "I hope everything goes AOK, you guys got this, you're gonna crush it to the best of your ability, and if you don't there's always next iteration"

Client Feedback

- Noticed slight tweaks and adjusted content accordingly
- (Continues on next page...)

Client Software Use

- Looked over the about page, nitpicked wording and edited to her liking
- Added a space between Word and Search
- Used admin panel and submitted a recipe
 - Said exercise submitted
- Used the admin panel to add exercises, recipes, demonstrations, diagrams
- Registered a user, logged in, found an error in trophy
 - Fixed it and continued to log an exercise and look at logs
- Described admin panel as "simple but fun looking, easy to use"

Planned Iteration 4 Features

- Adding Keyframes animations
- Allowing for multiple categories on recipes, exercises, and demos
- Implementing YouTube API to get video thumbnail
- Using Regex to get an embed link out of a share link
- Add downloaded games for users to print out
- Add indication of previous logs on calendar

Benefit to the Client

- Is the product of the immersive learning class that Nicole teaches
- Teaches children about exercising and eating healthy
- Teaches families about health through demonstrations, diagrams, recipes, and exercising
- Before our project, this was all on paper and not reaching a broader audience
- Was attempted through a mobile app that had complications with deployment

Trophy

A trophy graphic on the “get moving” page that fills up to show a visual representation of how much exercise has been logged for individual family members

Crossword

A healthy-eating crossword puzzle to play where the answers correspond to healthy fruits and vegetables

[See Answers](#) [Reset](#)

A crossword puzzle grid with black squares and white squares for letters. The grid is 10 columns wide and 15 rows high. The white squares form a pattern that allows for 9 across and 9 down clues.

ACROSS
1: A yellow fruit that monkeys like to eat.
2: A red fruit that is turned into ketchup.
4: A blueish/purplish fruit that is small and round, also very sweet.
7: A red or green fruit.
8: An orange fruit that is sometimes turned into a juice drink.
9: A green fruit with a big seed in the middle.

DOWN
1: A green vegetable that looks like a tree.
3: A red fruit that has seeds on the outside and is very sweet.
5: A green vegetable that looks like a pickle.
6: An orange vegetable that helps you see better.

Word Search

A get-moving and stay-healthy word search, where the terms in it correspond to healthy terms and activities
